Program News

Dear Alumni,

Sentiments were bittersweet as we escorted the Class of 2001 through graduation and off to their final internships. It has been exciting to be able to direct our energies toward the future since the CAPTE site visit, and as you'll see on the following pages, momentum hasn't slowed down a bit—the spring semester flew by with gusto! One of the highlights of the semester was this year's Visiting

Lecturer, Ellen Hillegass, PT, MMSc, CCS, Assistant Professor at Georgia State University, who spoke on recognizing cardiopulmonary problems in clinical practice; once again, this event was a big success.

Plans continue to gel for the Program's 75th Anniversary All-Class Reunion on October 27, 2001. We received all 300 football tickets we requested and you should have received a registration form if you had previously expressed interest in attending the reunion. If you are interested in attending the reunion and did not receive a registration form, contact the Program Secretary, Pat Mecum, right away since tickets are being awarded on a first-come, first-served basis! Pat can be reached at (608) 263-7131 or at mecum@surgery.wisc.edu. If you are unable to attend the reunion, but are interested in purchasing a Memories Book (\$10), please contact Pat. As in the previous newsletter, this issue includes a form for you to fill out so you can be included in the Memories Book.

Please do so by September 1. Also, please submit nominations for the Alumni Achievement Award!

Good news from the Class of 2000—they passed the Federation of State Boards of Physical Therapy Licensing Examination at a 96.97% rate, well above state and national averages!

As with most PT programs, our admissions were down this year. We need your help! The job market has turned around but word has it that potential applicants are still being discouraged from

applying to PT programs. Please do your part in renewing interest and enthusiasm in physical therapy. In addition, our students have asked if any alumni would be willing to serve as contacts for jobs in different areas of the country. Please contact Program Secretary Pat Mecum if you would like to serve as a mentor or contact for a graduate, or if you have any leads on jobs. Thank you! Have a wonderful summer and we'll see you at the reunion!

Sincerely,

Great Grads!

New graduates proudly grasp their diplomas after the graduation ceremony.

The PT Class of 2001 gathers at the Union Terrace for a celebration.

UNIVERSITY OF
WISCONSIN-MADISON
MEDICAL SCHOOL

In touch is published twice annually by the University of Wisconsin-Madison Physical Therapy Program, a section of the Department of Surgery.

Semester Outreach

UW-Madison PT students had a busy semester balancing studies, outreach activities, professional meetings, and social events.

One of the many successful outreach efforts involved hosting Madison West High School students for two separate days. In return, the high school students showed their appreciation by raising \$185 and donating it to Special Olympics on behalf of the Program's Phi Theta Student Organization!

Another outreach event was a Medical School Health Fair held at East Towne Mall in Madison, where various health professions were represented by campus departments, clubs and community affiliations. Students hosted a table for the general public to learn about PT through a poster featuring the PT Program; handouts of the APTA magazine featuring Tiger Woods; Theraband, Swiss Ball, and a massage chair. Students were booked solid with massages all day, which allowed them to field questions and educate the public about the PT profession.

Then there was the High School Women's Health Care Symposium, held at the Medical School. This activity provided female high school students from the Madison area and surrounding communities with an opportunity to learn about various health care professions through panel discussions addressing admission requirements for each health professions program; small group sessions describing each profession; and a health fair where each profession offered hands-on activities for participants. PT students provided instruction on a plethora of exercises using Swiss Balls and other props.

In addition, students visited local elementary schools to give children an early introduction to PT.

Faculty member **Julie Sherry** facilitated a student-led warm water exercise class for residents of a senior-living apartment building in Madison.

Closer to home, students organized an informational gathering for PT, MD and OT students to exchange information on their respective professions, which was a big hit!

The Program would like to thank **Stephanie Erickson-Brown**, Class of 2001, for being the driving force behind most of these outreach efforts!

Activities

Also this semester, second-year students attended PT Legislative Day in Madison, and members from both PT classes attended the Wisconsin Student Conclave in La Crosse. Many students attended Southwest District WPTA meetings, sponsored by the Program and chaired by faculty member **Kristi Hallisy**. Kristi and co-instructor **Julie Sherry** spoke on "Physical Agents for Today's Clinician" at one of these meetings. Nine students volunteered at the WPTA Spring Conference, where **Heather Husby**, **Mary Kohnke**, **Maira Pulins**, and **Jenny Skierka** exhibited a poster entitled "Comparison of Lower Extremity Range of Motion and Percent Stance Time for One Gait Cycle in a 2.5, 4.5, and 22.5 Year-Old."

In addition, students somehow managed to find time for one more massage fundraiser, a trip to a Milwaukee Brewers game,

a picnic, all while preparing for graduation and internships!

Making the Grade

The following students passed the Certified Strength and Conditioning Specialist (CSCS) exam hosted by the Program on the UW-Madison campus in February: **Richelle Giel**, **Mira Lau**, **Kirstin Lofgren**, **Becky McConnell**, **Aric Pedersen**, **Missy Roswold**, **Jenny Skierka**, **Amy Steffen**, **Annie-Lee Tirado**, and **Matt Wilson**. So far, the Program has a 100% pass rate (national rate is 65%), thanks to mentoring by faculty member **John McCarthy**.

Scholarship Winners

Class of 2001 Scholarship Recipients

- Margaret Kohli Scholarship: **Jenny Skierka**
- UW PT Alumni Scholarships: **Stephanie Erickson-Brown**, **Jeff Salkowski** and **Jeff Joerres**
- Barbara Ellen Gerlich-Hoefeyzer Scholarships: **Christine Vos** and **Alyssa Unger**
- Jean Roland Scholarship: **Matt Wilson**
- Caroline, Clara, Charles and Mildred Harper Scholarships: **Carrie Baumgartner** and **Nikki Wetts**
- Amelia Doyan Scholarship: **Liz Weis**

Congratulations to **Michelle Steffen**, who was awarded the Paralyzed Veterans of America Scholarship award.

Faculty News

Presentations

Six faculty members attended the Combined Sections Meeting, where **Mark Erickson** spoke on performing arts injuries and **Jill Thein** spoke on the female triad. In addition, Mark became a founding member of a national performing arts committee. **Reenie Euhardy** participated in the American Board of Physical Therapy Specialties as a content expert in geriatrics. **Bill Boissonnault** gave presentations and participated in panel discussions on "Joint Manipulation-Legislative Challenges" and "Transitioning to a Doctorate Profession." Bill finished his second and final term as Orthopaedic Section President at CSM and began a one-year term as immediate past-president of the Section.

Over the course of the semester, **Bill Boissonnault** taught courses on medical screening at Northern Arizona University's PT Program in Flagstaff, AZ and at Kaiser Permanente's PT Clinical Residency Program in Sacramento, CA. Bill also taught medical screening to physical therapists at Northwestern University in Chicago, University of Tennessee in Memphis, at Minnesota and Alabama State Chapter meetings, and at Steven's Point and La Crosse.

Locally, **Bill Boissonnault** and **Kristi Hallisy** worked with orthopedic residents in the UWHC/Meriter Hospital Orthopaedic PT Clinical Residency Program. **Reenie Euhardy** gave a presentation to the VA Hospital on evidence-based practice. **Jill Thein** gave a talk to Dean Care PT on collaborative learning models.

Scholarship/Development

Lisa Steinkamp collaborated on a grant which was recently funded entitled the Quentin Burdick Interdisciplinary Rural Training Grant. This grant will provide three years of funding for prevention education for healthy rural seniors.

Mark Erickson was selected as a Federation of State Boards in Physical Therapy item writer. He and **Beth Kille** (Class of 1999) piloted musculoskeletal screening for the UW marching band, which will begin this summer. Mark will also oversee the development and implementation of a Dance Clinic in conjunction with the UW Dance Program during the fall semester of 2001.

Judy Dewane has been invited to participate in the Rocky Mountain University of Health Professions' Advanced Neurology DSc program and will begin in June.

Barbara Morgan attended a conference on respiratory mechanics in Italy, gave a presentation to the Northeast Sleep Society at Yale University, and presented her research at the Experimental Biology Meeting in Orlando.

Barbara Morgan will be on sabbatical leave during the 2001-2002 academic year. During this time, Barb will continue, on a full-time basis, her study of the cardiovascular consequences of sleep-disordered breathing. Specifically, her research will focus on the effects of apnea on cerebral circulation, and the relationship between sleep apnea and stroke.

Reenie Euhardy was accepted into a summer workshop offered by the UW-Madison Institute of Teaching and Learning.

Reenie Euhardy and **Lucy Wall**, the Program's Pre-Admissions Advisor, received Human Subjects Committee approval to conduct a qualitative research study on identifying characteristics of an exceptional entry-level PT. Lucy is also working with **Bill Boissonnault** to study the effectiveness of the GRE-W as a predictor of academic and non-academic performance. In addition, Lucy has been involved in outreach efforts with UW Hospital, targeting high school students.

Publications

Bill Boissonnault co-authored chapters entitled "Dysfunction, Evaluation, and Treatment of the Shoulder" in Donatelli and Wooden's *Othopaedic Physical Therapy*, which was recently published by Churchill Livingstone (3rd edition); and "Differential Diagnosis Phase I: Medical Screening for the Therapist" in *Umphred's Neurologic Rehabilitation*, published by Mosby (4th edition). Bill was asked to write the forward to the Donatelli and Wooden text.

Nobody could ever fill your shoes, Kristi (Hallisy) and Mark (Erickson) !

More Alumni Keep in Touch!

Dolores (Bolan) Ellis (1953): Easter Sunday birthday - still working in a POP facility 24 hrs/week - love it!

Richard H. Oehler, MD (BS in PT 1954, MD 1961): Retired after 38 years in practice. Enjoying 9 grandchildren.

Grace (Jostad) Raube (1957): 25 years as physical coordinator at Kaiser Hospital in San Rafael, CA. Married for 44 years to Jerry Raube; 2 daughters and 4 grandchildren.

Patricia Kay Stegeman-Frank (1960): I have been working as a pediatric therapist in the early intervention program at Cerebral Palsy, Inc. in Green Bay for the past 19 years. Looking forward towards retirement and spending more time with my grandchildren. Enjoy spending time with all the other Wisconsin PT graduates at the Center and in the area, especially during the Rose Bowl games of late.

Nancy A. (Couper) Carlson (1961): Have used and value PT education. Combined it with Special Education & Research MA & PhD. Currently consulting for Easter Seals nationally.

Alice (Roberts) Steinke (1963): I have been living in Columbia, SC since 1973 and I work half-time at an acute care teaching hospital associated with the University of SC.

Judith Haerberle (1967): Founder (1987) and Executive Director of Medteams, a medical professional and support staffing service in Waukesha, WI.

Carole Joanne (Buehler) Steffel (1967): Recently retired after a long career in rehab, home health, and finally total joint orthopedics.

Barbara (Rumsey) Egan (1970): I work as a PT in Stoughton public schools.

Joan (Damitz) Ostermeier (1976): In private practice at Sport & Spine Clinic of Wittenberg.

Mary (Driessen) Koch (1977): Married Bob Koch in 1977; 3 children - Stephanie 19, Rob and Adam 15; working at Mercy Oakwood in Oshkosh since 1977.

Pamela (Walenski) Morrison (1977): UW Madison 1977, Northwestern MS 1983. 11 years in private practice specializing in spine.

Laurie (Pitas) Sanford (1981): We have 3 children, the youngest is 1 year old! I currently teach in the UW/Meriter Residency Program. I completed the Kaiser Hayward Orthopedic Manual Physical Therapy Residency Program in 1989.

Karie (Karls) Garfoot (1982): On March 1, 2001, I opened my own private practice, "Horizons Edge Physical Therapy," near Fond du Lac, WI. I plan to integrate traditional therapy with complementary methods.

Lois (Hendrick) Harrison (1986): Working part-time in a sports medicine clinic; part-time faculty member at Concordia University.

Kathy Button (1990): I work full-time as PT/Center Manager at an orthopedic outpatient clinic in Green Bay. Have three children, ages 9, 9 and 3.

Terry Shea (1992): Working at UW Hospital and Clinics as OP Neuro PT - specialty in balance and falls.

Becky Davis (1995): I work at Berlin Memorial Hospital doing all types of PT in a rural setting.

Steve Straub, PT, CSCS (1995): Clinic Director at Sport & Spine Clinic, Edgar, WI.

Tracy (Wisnefske) Severson (1998): Working at Prevea Sports Medicine Clinic and will be purchasing our first house soon!

Julie Knox (2000): Working for Total Rehab in Racine/Kenosha.

Don't forget to send any changes in name, mailing or email address, phone or fax number to Pat Mecum, Program Secretary, 5185 MSC, 1300 University Ave., Madison, WI 53706!

In Memoriam

The Program's sympathies go out to the families of Steve (Class of 1987) and Linda Marz of Milwaukee, who passed away on March 17, 2001. Steve was a PT at St. Luke's Hospital/Aurora Health Care and Linda was an RN in the neonatal ICU at St. Mary's Hospital. Memorial contributions can be made to the Marz Trust Fund for the benefit of their surviving children, Abby (4) and Nick (2). Please contact the Program for more information.

Donor Gifts

We would like to show our appreciation to the following individuals and businesses who made donations to the University of Wisconsin–Madison Physical Therapy Program during the past year.

We are grateful for your contributions and recognize that many of the Program's facility improvements, activities, and scholarships would not be possible without you!

Thank you!
